

# CAROLINA CONCRETE LUXURY

BY RUFTY HOMES, INC.

Cary and Durham, NC

Single-Family Custom Homes

10,000+ sq. ft.

*Both builder and concrete contractor raised the quality of estate home construction by using the historically proven material of reinforced concrete from floor to ceiling – and decks – in these homes. The home (pictured to left) is the development's sales center and model and was the recipient of the Home Builders Association of Raleigh-Wake County's 2003 Gold MAME Award.*
